

Electra Reps

Manufacturers Represented

Switches - Pushbutton, Toggle, Membrane, Snap Action, Stainless Steel Keypads & Sealed Control Products for Harsh Environments

Joysticks - Finger & Handgrip for High Performance Industrial & Military Applications

Connectors - Sealed to IP67, Filtered D-Sub, Power D-Sub, cPCI, & ATCA

EMI Filters - RFI Power Line, Power Entry Modules, High Current Tubular Feed through

Lighted Products - LED PCB Indicators, LED & Incandescent Panel Mount Indicators, Light Pipes, LED Vehicle Lights & LED Light Engines

Circuit Breakers - Thermal, Thermal-Magnetic, Magnetic & Hydraulic, QPL & High Performance

RF Connectors - BMA, BNC, MCX, MMCX, N, SMA, SMB, SMC, SMK, SMP & TNC
RF Cable Assemblies - Custom, Low Loss, Phase Matched & Standard Length

RF & Microwave Products - Attenuators, Adapters, QPL SMA Connectors & Custom High Performance Cable Assemblies

Fiber Optic Connectors - Harsh environment expanded beam HMA, Hybrid Fiber/Copper SMPTE Expanded Beam Connectors
Fiber Optic Transceivers - Military / Aerospace

LCD Displays - High Temperature LCD Displays, TFT, OLED Technology, Custom Displays & Value added assemblies

Battery Packs - Custom, Lithium Ion, Ni Cad & Nickel Metal Hydride

Pushbutton Switches - QPL, NVIS/ NVG & Ruggedized Full Travel Keyboards & Custom Integrated Assemblies

Power Supplies - AC to DC, DIN Rail Mount, DC to DC Converters, Modified Standard Power, PCB Mount, Modular & Front End Power

Cable Assemblies - High Voltage Custom Cable Assemblies
Current & Voltage Limiting Devices - Spark Gap, MICA Capacitors & High Voltage Multipliers

Transformers - Custom Class 2 Transformers, Large KVA Custom Transformers, Value-added Transformer Assemblies

Fans - DC Fans, AC Fans, Blowers, Impellers, Fan Tray Assemblies
